Auditors' Report

To the Members of Deutsche Asset Management (India) Private Limited

We have audited the accompanying balance sheet of Deutsche Asset Management (India) Private Limited ('the Company') as at 31 March 2010 and the profit and loss account and the cash flow statement for the year ended on that date annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As required by the Companies (Auditors' Report) Order, 2003 and amendments thereto (together referred to as the order) issued by the Central Government of India in terms of Section 227(4A) of the Companies Act, 1956 ('the Act'), we enclose in the Annexure, a statement on the matters specified in paragraphs 4 and 5 of the said order.

Further to our comments in the Annexure referred to above, we report that:

- (i) we have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (ii) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- (iii) the balance sheet, the profit and loss account and the cash flow statement dealt with by this report are in agreement with the books of account;
- (iv) in our opinion, the balance sheet, the profit and loss account and the cash flow statement dealt with by this report comply with the Accounting Standards referred to in sub-section (3C) of section 211 of the Act;
- (v) on the basis of written representations received from the Directors, as on 31 March 2010, and taken on record by the Board of Directors, we report that none of the Directors are disqualified as on 31 March 2010 from being appointed as Director in terms of clause (g) of sub-section (1) of section 274 of the Act;

Auditors' report (Continued)

Deutsche Asset Management (India) Private Limited

- (i) In our opinion, and to the best of our information and according to the explanations given to us, the said financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
- (a) in the case of the balance sheet, of the state of affairs of the Company as at 31 March 2010; and
 - (b) in the case of the profit and loss account, of the profit of the Company for the year ended on that date;
 - (c) in the case of the Cash flow statement, of the cash flows for the year ended on that date.

Deutsche Asset Management (India) Private Limited

Annexure to Auditors' Report – 31 March 2010

(Referred to in our report of even date)

1. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
(b) The Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified in a phased manner over a period of two years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
(c) Fixed assets disposed off during the year were not substantial and therefore, does not affect the going concern assumption.
2. The Company's nature of operations does not require it to hold inventories. Accordingly, paragraph 4(ii) of the order is not applicable.
3. According to the information and explanations given to us, the Company has neither granted nor taken any loans, secured or unsecured to/or from companies, firms or other parties covered in the register maintained under section 301 of the Act. Accordingly, paragraph 4(iii) of the order is not applicable.
4. In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to the purchase of fixed assets and sale of services. The activities of the Company do not involve the purchase of inventory and sale of goods. We have not observed any major weakness in the internal control system during the course of the audit.
5. In our opinion and according to the information and explanations given to us, there are no contracts and arrangements, the particulars of which need to be entered into the register maintained under section 301 of the Act.
6. The Company has not accepted any deposits from the public.
7. In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
8. The Central Government has not prescribed the maintenance of cost records under section 209(1) (d) of the Act, for any services rendered by the Company.
9. (a) According to the information and explanations given to us and on the basis of our examination of the records of the company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Income-tax, Service tax, Cess and other material statutory dues have been generally regular deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of Investor Education and Protection Fund, Employees' State Insurance, Sales-tax, Wealth tax, Customs duty and Excise duty.
(b) According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Income-tax, Service tax, Cess and other material statutory dues were in arrears as at 31 March 2010 for a period of more than six months from the date they became payable.

Deutsche Asset Management (India) Private Limited

Annexure to Auditors' Report – 31 March 2010 (*Continued*)

According to the information and explanations given to us, there are no dues of Income-tax, Provident Fund, Service tax and other material statutory dues which have not been deposited with the appropriate authorities on account of any dispute.

- (c) According to the information and explanations given to us, there were no dues on account of Cess under section 441A of the Companies Act, 1956, since the date from which the aforesaid section comes into force has not yet been made effective by the Central Government.
10. The Company does not have any accumulated losses as at the end of the financial year and has not incurred cash losses in the financial year and in the immediately preceding financial year.
 11. The Company did not have any outstanding dues to any financial institution, banks or debenture holders during the year.
 12. The Company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities.
 13. In our opinion and according to the information and explanations given to us, the Company is not a chit fund or a nidhi/ mutual benefit fund/ society.
 14. According to the information and explanations given to us, the Company is not dealing or trading in shares, securities, debentures and other investments.
 15. According to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions.
 16. The Company did not have any term loans outstanding during the year.
 17. According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we are of the opinion that the funds raised on short-term basis have not been used for long-term investment.
 18. The Company has not made any preferential allotment of shares to companies/firms/parties covered in the register maintained under Section 301 of the Act.
 19. The Company did not have any outstanding debentures during the year.
 20. The Company has not raised any money by public issues.
 21. According to the information and explanations given to us, no fraud on or by the Company has been noticed or reported during the course of our audit.

Deutsche Asset Management (India) Private Limited

Schedules to financial statements

for the year ended 31 March 2010

(Currency: Indian Rupee in Thousands)

1 Background

Deutsche Asset Management (India) Private Limited ('the Company') was incorporated on 21 March 2002 as a private limited company under the Companies Act, 1956. The Company has obtained registration from the Securities and Exchange Board of India ('SEBI') to function as an Asset Management Company for the Deutsche Mutual Fund "the Fund" with effect from 29 October 2002.

The Company acts as an investment manager to 'the Fund'. Further it also provides investment advisory and marketing advisory services to various entities including group entities.

Deutsche India Holdings Private Limited ('DIHPL'), a company incorporated in India, and its nominees hold 100% of the share capital of the Company.

2 Significant accounting policies

Basis of preparation of financial statements

The accompanying financial statements are prepared under the historical cost convention, on the accrual basis of accounting and comply with the Accounting Standards prescribed by Companies (Accounting Standard) Rules, 2006 and in accordance with the generally accepted accounting principles and the provisions of the Companies Act, 1956 ('the Act') as adopted consistently by the Company. The financial statements are presented in Indian rupees rounded off to the nearest thousand.

Use of estimates

The preparation of the financial statements in conformity with the generally accepted accounting principles (GAAP) in India require the management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of financial statements. The estimates and assumptions used in the accompanying financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from those estimates. Adjustments, if any, are prospectively made.

Revenue recognition

Investment management fees are recognised monthly on an accrual basis, net of service tax, based on the average of daily Net Asset under Management of the mutual fund schemes of the Fund in accordance with the terms of contract entered into between the Company and the Board of Trustees of the Fund and is in line with the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996.

Marketing advisory fees and Investment advisory fees are recognised on an accrual basis in accordance with the terms of the contracts entered into between the Company and the counterparties.

Interest income is recognised on accrual basis.

Fixed assets and depreciation

Fixed assets are stated at historical cost of acquisition less accumulated depreciation. The historical cost of fixed assets comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

Depreciation is charged on straight line basis at rates higher than the rates prescribed by XIV to the Act, based on management's estimate of the useful life of fixed assets as given below:

Class of asset	Rate of depreciation
Furniture, fixtures and office equipment	10%
Telecommunications equipment	20%
Computer (Hardware)	25%

Computer software is depreciated over its estimated useful life of 3 years.

Leasehold improvements are depreciated over the residual period of the lease or over a period of 10 years or over the useful life of the leased assets, whichever is shorter.

Assets purchased and/or sold are depreciated on a pro-rata basis from the month in which they are purchased and/or sold.

Assets individually costing upto Rs.30,000 are fully charged in the year of purchase.

Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit which the asset belongs to, is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the profit and loss account. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

Foreign currency transactions

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the profit and loss account of the year.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rate on that date. The exchange differences, if any, are recognised in the profit and loss account and related assets and liabilities are accordingly restated in the balance sheet.

Retirement benefits

Gratuity

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit is calculated by estimating the amount of future benefit that the employees have earned in return for their service in the current and prior periods, that benefit is discounted to determine its present value. The present value of the obligation under such benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at present value of estimated future cash flows. The discounted rates used for determining the present value are based on the market yield on Government Securities as at the balance sheet date.

Actuarial gains and losses are recognized immediately in the profit and loss account.

Provident fund

The Company contributes to a recognized provident fund which is a defined contribution scheme. The contributions are accounted for on an accrual basis and recognized in the profit and loss account.

Leave encashment

The Company provides for its leave encashment liability for its eligible employees, based on actuarial valuation of the leave encashment liability at the balance sheet date, carried out by an independent actuary.

Actuarial gains and losses are recognized immediately in the profit and loss account.

Superannuation

Contributions payable towards superannuation fund which is a defined contribution scheme is charged to the profit and loss. During the year, the Company contributes a specified percentage of the eligible employees' basic salary to the fund.

Long Term Service Award

The Company's long term service award scheme is a defined benefit plan. The Company provides for its liability, based on actuarial valuation of the long term service award liability at the balance sheet date, carried out by an independent actuary. The present value of the obligation under such benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at present value of estimated future cash flows. The discounted rates used for determining the present value are based on the market yield on Government Securities as at the balance sheet date.

Taxation

Provision is made for income tax of current tax and deferred tax components. The current tax is recognised under the taxes payable method based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Indian Income-tax Act, 1961. In case of matters under appeal due to disallowance or otherwise, full provision is made when the said liabilities are accepted by the Company.

The deferred tax charge or credit and the corresponding deferred tax assets and liabilities are recognized for the future tax consequences attributable to timing differences between the accounting profits and taxable profits. Deferred tax assets and liabilities are measured using the tax rates that have been enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised.

Fringe benefit tax (FBT)

Provision for FBT has been recognised on the basis of applicable FBT on the taxable value of chargeable expenditure of the Company as prescribed under the Income Tax Act, 1961.

Leases

Lease of assets under which all the risks and benefits of ownership are effectively retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the profit and loss account.

Earnings per share

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders by weighted average number of equity shares outstanding during the reporting year.

Number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on the conversion of all dilutive potential shares. In computing diluted earnings per share only potential equity shares that are dilutive are included.

Provisions and contingent liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognised in the period in which the change occurs.

Scheme related expenses

Expenses incurred by the Fund over and above the expense limit as specified in the offer document of the scheme are required to be borne by the Company and are disclosed under the head Administrative and general expenses as 'scheme related expenses'.

Expenses incurred such as fund accounting fees/ advertisement / brokerage expenses on behalf of schemes of the Fund are recognised in the profit and loss account in accordance with the provisions of SEBI (Mutual Fund) Regulations, 1996.
